

Clinical Hearing-Health Platform — Technology Licensing & Strategic Partnership

Audiso is an ENT professor-led hearing platform from South Korea — national reference data, a **KOLAS ISO/IEC 17025** calibration lab, and a four-layer product stack validated at **CES · KIMES · WCA 2026 Seoul**. We invite Tier-1 OEMs, distributors, and digital-health platforms to explore **technology licensing**, co-development, distribution, and **M&A**.
